Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 13 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fog patches overnight, these clearing to sunny intervals on Sunday.

This Evening and Tonight:
Dry through the evening and overnight with clear intervals and light winds. It will be cloudiest in the east through the early hours, with patchy fog forming under the clear spells in the west. Minimum temperature 3 deg C (37 deg F).

Sunday:
Any fog will slowly clear through the morning, leaving a mostly dry day with the best of any bright or sunny spells during the afternoon. Light winds. Maximum temperature 13 deg C (55 deg F).

Outlook for Monday to Wednesday:
Rather cloudy with light winds on Monday and Tuesday with some morning mist and fog. Some light rain is possible at times. A sunnier and breezier day on Wednesday.
